EXPLANATORY NOTE

On October 24, 2018, Creative Realities, Inc. filed a Form 8-K (the “Initial Report”) reporting the filing of its articles of amendment to effect a reverse stock split at a ratio of 1-for-30. Creative Realities, Inc. is filing this amendment to the Initial Report to update the “Date of Report (date of earliest event reported)” to October 18, 2018, the date such reverse split became effective. This amendment further clarifies in Item 5.03 that such reverse split became effective October 18, 2018. No other amendments to the Initial Report are being effected hereby.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On October 17, 2018, Creative Realities, Inc. (the “Company”) filed Articles of Amendment to its Articles of Incorporation (the “Amendment”) with the Minnesota Secretary of State to effect a 1-for-30 reverse stock split of its common stock, par value \$0.01 per share, and without reducing the authorized number of shares of common stock or other capital stock (the “Reverse Stock Split”). The Company had earlier called and held a special meeting of shareholders on August 7, 2018, at which meeting the Company’s shareholders approved the Reverse Stock Split at a ratio to be determined by the Company’s Board of Directors but no greater than 1-for-40. The Board of Directors in turn determined to effect the Reverse Stock Split at a ratio of 1-for-30, and approved the corresponding final form of the Amendment, on October 17, 2018. The Reverse Split became legally effective October 18, 2018.

As a result of the Reverse Stock Split, every 30 shares of issued and outstanding Company common stock will be automatically combined into one issued and outstanding share of Company common stock, without any change in the par value per share. No fractional shares will be issued as a result of the Reverse Stock Split. Any fractional shares that would otherwise have resulted from the Reverse Stock Split will be rounded up to the nearest whole share. The Reverse Stock Split will reduce the number of shares of common stock outstanding from approximately 87.6 million shares to approximately 3.0 million shares.

The Company expects that its common stock will begin trading on a reverse stock split-adjusted basis on or about October 25, 2018 but no later than October 29, 2018. The trading symbol for the common stock will remain “CREX.” The new CUSIP number for the common stock following the Reverse Stock Split is 22530J200.

The foregoing description of the Amendment is qualified in its entirety by reference to the Amendment, a copy of which has earlier been filed with the SEC and is incorporated into this report by this reference.
